SUMMARY

Motivated and dedicated Computer Science graduate with a strong interest in backend systems that power websites and apps. Eager to grow through real-world projects, contributing to robust and efficient backend development while continuing to learn and improve.

EXPERIENCE

On-The-Job Training – Software Developer   June 6 – August 9, 2024
Bohol Information and Communication Technology Office, Provincial Government of Bohol
- Assisted in developing backend components and database design.
- Participated in real-world software development workflows.

Junior Developer
BARMSS Human Rights Survey Application
Collaborative project by De La Salle University and the United Nations
Developed under Bohol Island State University (BISU) – Bilar Campus by Computer Society Full Stack Organization, 2024
- Assigned as a junior developer for the human rights survey application for the Bangsamoro Autonomous Region—a collaborative project between De La Salle University and the United Nations, with BISU tapped for technical implementation.
- Helped design and deploy dynamic, mobile-friendly survey forms with integrated validation and secure data handling.

Networking Geeks Organization – Tech Setup Assistant   March 31, 2025 – BISU-Bilar Campus
- Helped set up E-Voting System and Network Infrastructure for school elections.

EDUCATION

Bachelor of Science in Computer Science   2021 – 2025
Bohol Island State University – Bilar Campus
Thesis: "ChipAI: Chili Pepper Variety Identification"
- Developed an image classification web system using Convolutional Neural Networks (CNN) to accurately identify chili pepper varieties, for farmers to gain further knowledge about different chili varieties.

Other Research: "Office Service Feedback System Using Sentiment Analysis"
- Developed a web system that uses natural language processing (NLP) to automatically determine whether user feedback is positive, negative, or neutral, helping institutions monitor and improve service quality.

ADDITIONAL INFORMATION

Languages: English, Tagalog, Bisaya
Seminars/Trainings:
- 4th National Conference on Computing, Education, and Business (NCCEB) – May 28, 2024
- 1st Hybrid International Conference on Business, Education, Innovation, and Sustainable Technology (ICBEIST) - March 26–29, 2025

Age: 22
Birthdate: July 19, 2002
Nationality: Filipino
Civil Status: Single
Religion: Roman Catholic
